**RULE ENFORCEMENT**

The local show has the responsibility to enforce the rules and regulations at their show. Any further action needs to be submitted in writing, to the Utah State Junior Livestock Shows Association Board. Shows that do not comply and enforce the rules adopted may lose Association funding. If immediate action is needed, the board of the Utah State Junior Livestock Show Association is empowered to make the ruling decision.

The State Veterinarian has the final ruling on lamb tail docking and any health issues.

**NEW SHOW ELIGIBILITY**

Any established show that makes application for funding from the Utah State Junior Livestock Shows Association must provide the required numbers from their previous year's show. New shows must exist one year before receiving funding in order to establish base line numbers.

A special 'THANK YOU' to all those who have helped  
make this livestock show possible!!

Extension/4-H agent, FFA advisor, or a member of their appointed committee shall tag each animal and process the proper forms. Should a tag be lost or pulled out of the animal's ear, the exhibitor will advise the committee supervisor immediately so the tag can be replaced and the appropriate paperwork can be processed.

3. **Market Animal Weights** -- (See form 1 for schedule of suggested show weights.) Ideal market weights as determined by the meat industry may vary somewhat from year to year but the following show-day ranges are what suggested weights are based on:

- Beef 1,000 - 1,275 lbs 2.75 lbs gain/day
- Sheep 90 - 130 lbs .75 lbs. gain/day
- Swine 220 - 260 lbs 1.7 lbs. gain/day

4. **Extra Animals** -- Exhibitors may tag one (1) extra animal per species for each show period.

5. **Entry Forms & Deadlines** - \*\*Kamas Valley Jr. Livestock Show requires no entry form or fee except the *Jackpot portion of show (refer to Jackpot entry blank for details)*\*\* Other state terminal shows entry deadlines read as follows: Exhibitors are responsible for mailing their own entry form at least 30 days prior to each show. Exhibitor must declare which animals are to be shown, and submit an entry form and entry fees to the appropriate shows, including ear tag numbers. Entries may not exceed the limits for each show (see form 4) including one alternate animal per species. Forms must be signed by proper Extension/4-H agent or FFA advisor to verify exhibitor and animals are a legitimate entry for the show they are entering. Extension/4-H agents or FFA advisors should only sign forms for those youth enrolled in their programs. The Extension/4-H agent or FFA advisor and parents will verify eligibility of group and family feeding programs.

- Entry forms for fitting, and showmanship classes must also be submitted 30 days prior to show and need to indicate class to be entered (species) and age of exhibitor.
