MARKET HOG

Exhibited by: Dillon Shepherd, Spanish Fork

Welcome . . .

This year's Utah State Junior Livestock Show will mark the 87th consecutive year that the event has been held in Spanish Fork. That is quite a legacy for our local communities. Several generations of youth have been taught the value of hard work, integrity, leadership, and responsibility. They have also learned the importance of agriculture to this great nation.

I want to again thank all of the individuals and organizations that put in so much time and effort to make the stock show a success. The amount of support for this show is phenomenal. That is what has brought us to the 87th year.

We look forward to another great year at the Utah State Junior Livestock Show.

Clay J. Nielsen
Utah Junior Livestock Show Manager

To all stock show visitors. This is one of the free enterprises which make our nation the richest and most powerful in the whole world. It develops service and individual inspiration. It creates improvements and advancement for future progress. It develops in out youth self application for a greater future.

We congratulate the Stock Show Committees of past and present for this very fine show.

WAYNE ANDERSON, Mayor
ROD DART, Councilperson
STEVE LEIFSON, Councilperson
RICHARD DAVIS, Councilperson
JENS NEILSON, Councilperson

JUDGES COMMITTEE: - Brian Boden, Kevin Baadsgaard

LIVESTOCK DIVISION COMMITTEES are listed with their respective divisions.

STATE JR LIVESTOCK RULES

A. GENERAL RULES

1. **Age:** -- Exhibitors must be in the third grade, but not less than 8 years of age as of the current 4-H year. Exhibitors can only show through the same season as their high school graduation, but not past their 19th birthday. Exception: Disabled persons as defined by public law 98-527. In these special cases, animals must still be the project animals of the exhibitor and be cared for daily by the disabled person.
2. **Group Affiliation** -- An exhibitor may enter a given show only as a 4-H or FFA member, but not both. Exhibitors must declare one or the other at time of entry.
3. **Ownership of animals** - The exhibitor will own, possess, feed, and care for his/her project animal(s) for not less than 100 consecutive days for market beef and 60 consecutive days for market swine and market lambs immediately prior to the show they intend to participate in. No interruption of ownership or possession can occur.
4. **Fitting on show grounds** -- The fitting of animals will take place in areas designated by the livestock show committee. Parents, guardians, siblings, club leaders, Extension/4-H agents and FFA advisors may assist, and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.
5. **Code of Ethics** (rules 5-a through 5-g) –
 - a. Treating an animal internally or externally, with any irritant, counterirritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to, the use of graphite, powders, hemp, artificial hair, coloring, common products such as fly spray, ointment, or liniment used to the point that it is irritating, or similar type products. The use of dyes, spray paint, or other artificial coloring, which results in altering an animal's true and natural appearance and/or color, is prohibited. Adding false hair or hair-like material, fleece, or skin at any point, spot, or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler, etc. Drenching will not be allowed unless the show veterinarian or a show official is present and is needed for emergency purposes only.

- b. The use of tranquilizers, sedatives, or depressants, which alter the physical or physiological state of the animal, is illegal. Exceptions to this rule would be licensed, certified veterinarians, treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All exhibitors will advise show management of any drug and/or medication administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time, and date of administration will be presented to show management prior to the showing and sale of the animals. Failure to report this information will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered into livestock competition will be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. During the livestock event, in the case of an animal requiring treatment, all medication shall be administered by a licensed veterinarian and the livestock show officials shall be notified.
- c. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal's shape. Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.
- d. The use of inhumane fitting, showing, and handling practices or devices shall not be tolerated. For example: breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, muzzles, etc. is not acceptable.
- e. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.
- f. At the time an animal is sold at auction at the livestock show, the exhibitors shall be held directly responsible for animals that are rejected at the processing center for any reason. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence

information with FDA or USDA. If, for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.

g. Show management reserves the right to require animal health certificates. Health inspection and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials. Any violation of the "Utah State Junior Livestock Code of Ethics" or specific rules as designated by individual fairs and livestock shows will result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competitions. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. Other cooperating shows will be notified of the action taken by show management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows. The decision of the livestock show management will be final.

6. **Dress Code –**

4-H - A long or short sleeve shirt, which fastens down the front with a collar, is mandatory. Shirts must be solid white in color and need not be Western style. Black or blue pants are to be worn. There is to be a 4-H emblem or patch on all 4-H member shirts.

FFA - Either a white shirt, tie and FFA jacket, or a white shirt with the FFA emblem and tie (t-shirts are not allowed.)

The following will not be allowed: T-shirts, tank tops, tube tops, sleeveless shirts and vests.

Exhibitors who fail to abide by dress standards will forfeit prize money.

7. **Sales Fee** - A sales fee not to exceed 5% will be withheld from sales checks by all state-assisted shows. Any purchaser(s) of animals from a Junior Livestock Show Auction must pay the Show the full purchase price of sale regardless of buy-back.

8. **Change of Ownership** -- Once an animal has gone through any stock show sale, regardless of buyback or no-sale, it is no longer eligible to enter another state assisted show.
9. **Show Eligibility** - Animals are eligible for any show for which they meet ownership and show requirements.
10. **Lamb Docking Rule** - *Scientific research indicates that the incidence of rectal prolapsed is reduced when the tail is docked in a non-extreme manner. The recommended method is to dock at the distal end on the caudal fold (3rd caudal vertebra). Complete tail removal (extreme docking) is not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep projects. Market lambs or breeding sheep showing any signs of contagious disease or current or recent signs of prolapse, or with an open sore on the dock (rosebud), will be sifted from Utah Junior Livestock Shows at the discretion of the state show vet at the time of weigh in and their determination is final.*
11. **Name Change** - If an animal has been shown in a market show in-state or out-of-state, it must be shown in the same exhibitor name in all subsequent shows.

B. MARKET ANIMAL RULES:

1. **Drug Withdrawal** -- It is unethical and in most cases even unlawful to administer drugs to livestock within 20 to 30 days of slaughter. Animals too unmanageable to show should be withdrawn from their class rather than be tranquilized. The local show committee and the show veterinarian will monitor this situation. By federal regulations, random testing will occur at slaughter, and animals will be condemned which have been given any injection or oral dosages of tranquilizers, pain killers, antibiotics, diuretics, steroids, or other foreign substances during withdrawal periods before slaughter. All sales money will be withheld in such cases. Bloat medicine and other medications with no withdrawal requirements may be permissible. Exhibitors need to be aware of potential health hazards to consumers who eat animals that have received any above-mentioned dosages. Please do not put someone's life in jeopardy.
2. **Tagging** -- The Extension/4-H agent, FFA advisor, or a member of their appointed committee shall tag each animal and process the proper forms. Should a tag be lost or pulled out of the animal's ear, the exhibitor will advise the committee supervisor immediately so that the tag can be replaced and the appropriate paperwork be processed.

3. **Market Animal Weights** -- (see form 1 for schedule of suggested show weights.) Ideal market weights as determined by the meat industry may vary somewhat from year to year, but the following show-day ranges are what suggested weights are based on:

Beef:	1,000 - 1,275 lbs	<i>2.75 lbs gain/day</i>
Sheep:	90 – 130 lbs	<i>.75 lbs. gain/day</i>
Swine:	240 – 290 lbs.	<i>1.5 lbs. gain/day</i>
4. **Extra Animals** -- Exhibitors may tag one extra animal per species for each show period.
5. **Entry Forms & Deadlines** - Entry forms are due at least thirty (30) days before each show. Exhibitors are responsible for mailing their own entry form. Entries postmarked by that date will be accepted. Exhibitor must declare which animals are to be shown, and submit an entry form and entry fees to the appropriate shows, including State Association ear tag numbers. The tag number and alternate tag number must be specified on the exhibitor entry form to be eligible. Entries may not exceed the limits for each show (see form 4) including one alternate animal per species entered. Forms must be signed by proper Extension/4-H agent or FFA advisor to verify exhibitor and animals are a legitimate entry for the show they are entering. Extension/4-H agents or FFA advisors should only sign forms for those youth enrolled in their programs. The Extension/4-H agent or FFA advisor and parents will verify eligibility for group and family feeding programs.
 Entry forms for fitting and showmanship classes must also be submitted 30 days prior to show and need to indicate class to be entered (species) and age of exhibitor.
 Entry fees will not be withheld from sales checks. Entry fees are to be sent along with all entry forms.

BREEDING ANIMAL RULES:

1. Exhibitors are encouraged to expand their scope of livestock project experience to include breeding livestock projects.

RULE ENFORCEMENT:

The local show has the responsibility to enforce the rules and regulations at their show. Any further action needs to be submitted in writing to the Utah State Junior Livestock Shows Association Board. Shows that do not comply and enforce the rules adopted may lose Association funding. If immediate action is needed, the board of the Utah State Junior Livestock Shows Association is empowered to make the ruling decision. The State Veterinarian has the final ruling on lamb tail docking and any health issues.

SPANISH FORK UTAH STATE JR. LIVESTOCK SHOW RULES AND REGULATIONS

(EXCEPT AS PROVIDED HEREAFTER, STATE ASSOCIATION RULES APPLY)

1. Officials hold final decision and control. All exhibits, grounds and buildings will be under the entire control and management of the officers. They also reserve the right to withhold premiums awarded in every case in which it shall appear to the officers that the regulation had been practiced or attempted.
2. The Board of Directors have the final and absolute right to interpret all matters arising out of or connected with the Show or Sales.
3. All market classes are limited to 4-H and FFA exhibitors.
4. Animals in market classes will be classified for judging by committee.
5. All market beef, market lambs, and market hogs in each division (4-H and FFA) will be judged jointly regardless of division membership.
6. When there is limited competition, the judge is requested to award such premium as the exhibit merits in his/her opinion.
7. Questions or problems are subject to review by 1) Committee Chairperson; 2) Manager; 3) Board of Directors.
8. The stalls, pens, exhibitor's area must be cleaned by 8:00 a.m. each day and kept clean. All refuse matter will be disposed of as the committee chairperson may direct.
9. The Utah State Junior Livestock Show will not be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any loss or damage done to another or occasioned by, arising from any animal or article exhibited by any person(s), and shall indemnify the Utah State Junior Livestock Show against all legal or other proceedings in regard thereto.
10. Exhibitors shall furnish necessary feed.
11. All exhibitors should attend the Exhibitors Jamboree to receive awards and prizes.

12. In fitting and showmanship contests exhibitor must show their animal.
13. Failure to comply with these rules or bad conduct will forfeit prize money.
14. All showing and selling of market animals at the show must be done by exhibitor unless excused by the management for reasons that are deemed sufficient. Failure to comply will result in animal being sifted or prize money withheld.
15. All male animals in all market classes must have been castrated.
16. No one is allowed to sleep in the barns.
17. WHITE RIBBON ANIMALS WILL NOT BE SOLD THROUGH STOCKSHOW SALES.
18. NO ELECTRIC FANS ALLOWED.
19. No dogs, lariat's or squirt guns allowed on stockshow grounds.
20. The Utah State Livestock Show will not be responsible for breeding animals, white ribbon market animals, and market animals withdrawn from sale or left on the show grounds after 3: 00 p.m. on Friday of the show.
21. Any white ribbon market animal or market animal withdrawn from the sale that are being sold to the packer must be placed in a pen designated by the show officials prior to the beginning of the livestock sale on Saturday morning.
22. All exhibitors, whether junior or open, must be in the third grade, but not less than 8 years of age as of October 1 of the current 4-H year.
23. All sifted (due to weight) animals can compete in Fitting & Showmanship. (See page 16)
24. **All pens for market and breeding animals must be cleaned. Penalty for not cleaning pens will be subtracted from the sales check in the amount of \$25.00.**

ENTRIES

(Please Read Carefully)

ALL ENTRIES CLOSE April 1, 2011. All entries should be made upon official form provided in the book. Enter only the number of animals to be shown plus one alternate. Mail to: Secretary, Zane Evans, 1064 West River Hill Rd., Spanish Fork, Utah 84660. Questions, call 801-367-3402

1. When filling out the entry forms make sure you put the address that you want your check mailed to and a correct phone number where you can be contacted in case there are any questions.
2. Entry & Bedding fee of \$10.00 for market beef.
3. Entry & Bedding fee of \$8.00 for breeding beef & hogs, and pens of three.
4. Entry & Bedding fee of \$6.00 for all others.
5. No exhibitor can enter or show more than one market beef, one market hog or two market lambs or any combination of two market animals. Exhibitors can only sell one (1) animal. All champions and reserves must sell.
6. All open show animals must remain on show ground until 3:00 p.m. Friday.
7. Up to date record books must be approved by FFA advisors and county agents before entries will be signed for show. Animals exhibited in market division cannot be shown in breeding division.

WEIGHING AND SHRINKAGE

(Market Beef and Lambs)

1. All animals will be weighed by the committee during the designated time period. An exhibitor will have only one opportunity to weigh each animal on the designated scale for that species.
2. MARKET BEEF AND MARKET LAMBS WILL BE SHRUNK 3%.
3. Additional shrinkage may be assessed by management when there is indication that the rules are violated and animals are over-filled.
4. Animals must meet minimum weight after shrinkage.

SIFTING OF EXHIBITS

1. Department committees will examine all exhibits and eliminate any animals not considered of suitable quality, condition, age or health to enter competition. Animals not properly trained to handle will be sifted. Market beef must be dehorned and trimmed. They will be examined at time of weigh in and those not meeting above standards will be sifted at the time.
 - a. *Animals sifted due to health reasons* must be taken home, they cannot compete in fitting and showmanship.

ANIMAL HEALTH- Dr. Greg Huff

1. Any female breeding beef over 12 months of age must be officially vaccinated for brucellosis. Brucellosis tattoo must be legible as proof of vaccination.
2. All breeding sheep must have a scrapie tag.

SALE OF ANIMALS

1. All entries in market classes are accepted with the distinct understanding that all animals will be sold at auction following exhibition and judging, unless, exhibitor is entering 2 animals, in which case, only 1 animal will be sold.
2. **Exhibitors exhibiting two market animals or wishing to pull their single animal from the show are required to complete the pull form and turn into show office by the end of the last market show Thursday evening.**
Exhibitors are required to provide the tag number of the animal to be removed from the sale.
3. ALL MARKET BEEF MUST HAVE PROOF OF OWNERSHIP BROUGHT WITH THE CATTLE AT THE TIME OF WEIGH IN. Bill of sale, auction invoice, or brand inspection certificate must be in possession at time of consignment. A bill of sale is a document transferring ownership and includes marks, brands, sex, breed, color and other identification. In case of branded animals, bill of sale must be signed by seller.
4. Exhibitors must not dispose of or remove any breeding animals before Friday evening at 3:00 p.m. Any violation of this rule subjects the exhibitor to a forfeiture of all premiums won by him.
5. The show management shall have entire and complete say as to how and when animals are entered in the auction sale. It shall be the aim of Show officials to so classify sale entries that animals of similar quality shall follow each other in sale order.
6. Owners of animals are responsible for their animals until they are sold. Buyers are then responsible.
7. Each Buyer must sign up for a Buyer Number and provide the correct billing address and phone number.

8. A sales fee not to exceed 5% will be withheld from sales checks for all market livestock sold.
9. If an animal is going to be split between multiple buyers you must come to the sales office on sale day to specify how the bill is to be split. If not, the bill will be split evenly between the buyers.
10. ***Exhibitors will not receive their checks until the animal has been paid in full.***
11. Market animals will be sold on a "by the head" basis. No add on can be made after final sale.

LIVESTOCK JUDGING CONTEST

1. Teams will consist of 4 member with the three highest scores added to get the team score.
2. When possible the entire contest will be held in the show arena.
3. Members enrolled in both 4-H and FFA can judge in both divisions. Contestants may not win awards in both areas.
4. All teams must be accompanied by an advisor to help score the contest unless they are involved in another area at the show, otherwise the team will not be scored.

MARKET BEEF

Chairperson: Cash Williams

Committee: Mick Balzly, Frank Nelson, Brandon Day, Kaylee Liddiard, Garrick Liddiard, Nicole Draper

1. All Beef will be judged on the American System of Judging. Market Beef will be place in STAR CHOICE (purple ribbon), CHOICE(blue ribbon), SELECT (red ribbon), and STANDARD(white ribbon).
2. Only steers can be shown in the Market Beef Division.
3. Premiums for the various grades will be pro-rated according to the number and quality of animals shown.
4. Minimum weight is 1050 lbs. after 3% shrink.
5. All market beef will be stalled in an area designated by the committee.
6. Any market beef exhibited at any previous show must be exhibited at this show by the original owner.
7. The maximum weight used to calculate the floor price will be 1300 pounds. ALL weight over 1300 lbs. will be donated to the buyer.
8. WHITE RIBBON STEERS WILL NOT BE SOLD.
9. Market beef over 24 months of age will be sifted. If age is in question, a certified veterinarian will be asked by the committee to determine age by examining the animal's teeth. Steers may have no more than two permanent teeth, with all other teeth being baby teeth which are in place.
10. Unruly animals may be excused from the show ring.

MARKET BEEF FITTING AND SHOWMANSHIP CONTEST

CLASS 1- School Grade 9 and up- Senior

CLASS 2- School Grade 6, 7, 8- Intermediate

CLASS 3- School Grade 3, 4, 5- Junior

1. Animals must be completely groomed and ready for contest when entering the arena.
2. Only animals entered as Market Beef are eligible.

BREEDING BEEF CATTLE

All major registered breeds and percentage commercial heifers

Chairperson: Shane Sorensen

Committee: Lynn Swenson, Garrick Liddiard, Kevin Lyman, Kevin Sorensen, Brian Sorensen

Health: Dr. Greg Huff

1. Exhibitors may exhibit two animals of any breed within a class.
2. The following information must be specified for each animal on the entry form to be eligible to show: breed, sex, birthdate, tattoo, and registration number (if registered). If the animal is registered, the name of the animal and its sire must be listed as they appear on the registration papers.
3. Junior and open class cattle will be shown separately. Junior registered heifers will be shown separate from commercial heifers. If the registration information required in item 1 is not specified on the entry form, the animal will be included in the commercial class.
4. All animals shown in the registered division must be registered in an accepted breed association.
5. All animals must arrive and be checked into the show with the chairperson or his designee by 7:30 p.m. on Wednesday to facilitate the breakdown of classes. No exceptions.
6. All junior exhibitors must be current members of 4-H or FFA.
7. For any animals not penned in closed stalls, a neck rope will be required.
8. Nose leads will be required for all bulls over 12 months of age.
9. Animals must be completely groomed and ready for show when entering the arena.
10. All cattle being shown in the breeding classes must remain until Friday at 3:00 p.m. No exceptions. All prize money will be forfeited if animals are taken before the authorized time.
11. Unruly animals may be excused from the show ring.

BREEDING BEEF CLASS BREAKDOWN

For both Junior and Open exhibits

Classes

1. Bulls – Bulls will be shown together regardless of age, unless sufficient numbers are entered to justify multiple classes.
2. Heifers (Open and Bred) – Heifers will be separated into classes based on age. If the Committee determines that sufficient numbers from individual breeds are entered, classes may also be separated by breed.
3. Cow/Calf Pairs – Cow/Calf Pairs will be shown together regardless of age, unless sufficient numbers are entered to justify multiple classes.
4. Bred and Owned Female – This division is being created to promote beef production. To qualify for this class, the female must have been bred by the exhibitor and/or their immediate family. These heifers can also be shown in Class 2.
5. Pen of Three Breeding Heifers **
6. Pen of Three Breeding Bulls **

** The Jr. Livestock Show is again sponsoring a group classification in the Breeding Cattle Division. This classification will be “Pen of Breeding Heifers” or “Pen of Breeding Bulls”. A pen will consist of three animals. The heifers may be purebred or commercial and cannot have produced a calf. The heifers may be bred or open. The bulls must be under 30 months of age. Pens will be judged on the basis of quality, uniformity and potential asset towards beef production. These animals need not be halter broke, washed or groomed. They will be held in pens throughout the show and will be judged in the same competition. Animals entered in pens need not qualify for breed registration. Bulls or heifers being shown in the halter classes cannot be used to make a pen of three animals.

BREEDING CATTLE FITTING AND SHOWMANSHIP

Class 1 (Senior) – 9th Grade and up

Class 2 (Intermediate) – 6th, 7th, and 8th Grades

Class 3 (Junior) – 3rd, 4th, and 5th Grades.

1. Participants must have exhibited at least one animal in the Breeding Cattle Division.
2. The animal being shown must have been exhibited by the participant in the Breeding Cattle Division.
3. Participants may show an animal from either sex in the class.

BREEDING SHEEP DIVISION

Chairperson: Frank Tervort

Committee: Will Corey, Kip Olsen

Meat Breeds: Hampshire, Suffolk, Dorset, and all other recognized sire breeds.

Wool Breeds: Columbia, Rambouillet, and all other recognized breeds.

Breeding Sheep Classes:

- | | |
|------------------------|-------------------------|
| 1. Ewe Lambs | 6. Ram Lambs |
| 2. Yearling Ewes | 7. Yearling Rams |
| 3. Aged Ewes | 8. Aged Rams |
| 4. Champion Ewe – Meat | 9. Champion Ram – Meat |
| 5. Champion Ewe – Wool | 10. Champion Ram – Wool |

RULES

1. Exhibitors may exhibit two animals of any breed with in a class, but must provide their own help in showing the animals. Assistants must be a participant in any other show event, and must be in show dress.
2. Division supervisors will evaluate all animals for show quality, and will eliminate animals not properly prepared, or in violation of show or division rules.
3. All animals entered must have a scrapie tag.
4. Animals will be placed by breed within each class.
5. The top two animals from each breed will compete in the championship classes.
6. Animals will be judged according to published breed standards.
7. Lambs entered in the market lamb division are not eligible for show in the breeding sheep division.
8. Breeding animals may be removed after the show.
9. **Late entries will not be accepted**

UTAH JUNIOR LIVESTOCK SHOW SALE RULES AND PROCEDURES

2011 SALE ORDER

Market Lambs-Market Beef - Market Hogs

GENERAL INFORMATION

1. Sale begins at 10:00am on Saturday, May 7
2. Sale will be held in the main show arena
3. All animals are sold by the head
4. All Grand and Reserve Champion animals must sell
5. No animals will be sold without a buyer number. Buyer numbers are available at the sales office prior to, and during the sale.
6. Payment for animals bought through the sale is due immediately.

METHODS OF BUYING ANIMALS

Personal/Take Home Use

If you would like to purchase a market animal to eat, or a ewe lamb to take home, use this method. You will bid on the animal and pay the FULL SALES AMOUNT. After the sale is final, you will need to show your buyer number and tell the ringmen where you would like your animal to go. If you are going to send the animal to the processor for your personal use, simply tell the ringmen which processor you would like the animal sent to. The processor will then contact you for cutting instructions. Please note: you will be responsible for all processing fees in addition to the purchase cost of your animal.

Boosting An Animal

If you do not want to purchase an animal for personal use, but you would still like to support a Jr. Livestock Competitor, you can elect to “Boost” the animal. In this case, you do not get to keep the animal. You bid on the animal and then PAY THE AMOUNT OF THE FINAL BID MINUS THE FLOOR PRICE. The floor price is the market value of the animal that the packer will pay to keep the animal and sell the processed products. This method allows you to support students in this endeavor, and reward them for their hard work. If selecting this option, bid on the animal and after the sale is final, show your buyer number and simply tell the ringman you want to “boost” the animal.

For example: You boost a market steer. Your final bid is \$1400.00; the floor price for the steer was \$1056.00; you would pay the final amount minus the floor price.

$$\$1400.00 - \$1056.00 = \$344.00$$

(final bid) - (floor price) = (owed to boost the animal)

**THANK YOU FOR YOUR
SUPPORT OF THE
UTAH JR LIVESTOCK
SHOW!!!**
