10:30 a.m.--Auction of Market Animals in the following order:  
(1)Market steers      (2)Market hogs      (3) Market lambs      (4)Market goats

## "A SPECIAL THANKS TO THE STOCKSHOW SPONSORS"

What is a Stockshow sponsor? A sponsor is someone who sees more than kids and animals at a Stockshow. A sponsor also sees hard work, responsibility, goal setting, management, determination, and success on display. A sponsor knows that a calf, lamb, or hog can teach lessons that can't be learned in any other way, and believes that those lessons are worth learning.

Since 1939, exhibitors in the Southeastern Utah Jr. Livestock Show have relied upon generous sponsors for support. We invite all Stockshow sponsors, past and present, to join us at the show. As you sit in the bleachers, take a look around. You'll notice that yesterday's exhibitors are today's parents, leaders, and sponsors. Thanks for believing in our youth. Your support is paying off.

The Stockshow Committee extends a special thanks to those businesses, families, and individuals who purchased animals and provided prizes and support in 2010.

The Southeastern Utah Jr. Livestock Show Committee extends special thanks to the following: Emery County Commissioners Jeff Horrocks, Laurie Pitchforth and J.R. Nelson; Carbon County Commissioners John Jones, Mike Milovich, and Jae Potter; Ferron City Mayor & Council JoAnn Behling, Joe Trenary, Ronnie Bloomer, Trent Jackson, Mike Behling and Garret Hansen; Dr. Glen Jensen, DVM; Mark and Chris Justice, Carbon-Emery Insurance; and Willie Frisbee, Emery School District. Their support and assistance makes the show possible.

### **SOUTHEASTERN UTAH JR. LIVESTOCK SHOW REGULATIONS**

1. The Southeastern Utah Jr. Livestock Show and Sale is a non-profit institution devoted to educating people and improving livestock in Utah. Its primary concern is the development of young people and their interest toward better livestock.
2. Each exhibitor is responsible for loss or damage due to another or occasioned by or arising from an animal exhibited by him and shall indemnify the Southeastern Utah Jr. Livestock Show and Sale against all legal or other proceedings in regard thereto.
3. The Southeastern Utah Jr. Livestock Show and Sale Committee reserves the right to make all interpretations of any Stockshow rules and regulations.
4. All protests must be made in writing and presented to the show president within two (2) hours after the cause of the protest, along with \$25.00 cash to be returned if the protest is upheld by the Stockshow Committee.
5. **THE DECISION OF THE JUDGE IS FINAL.**
6. **Entry Information and Deadline:** All market and breeding animals must be entered on Southeastern Utah Jr. Livestock Show entry forms OR official Utah Junior Livestock Show Entry Forms (Form 3) which are available from FFA Advisors and Extension Agents. Entry forms must be filled out completely, including required signatures, and must be accompanied by entry fees. Entry fees are \$10.00 for the first animal entered and \$5.00 for every animal thereafter. For example, if the exhibitor entered two market animals and one breeding animal, total entry fees would be \$10.00 + \$5.00 + \$5.00=\$20.00. **Entries must be postmarked no later than Tuesday, June 7, 2011. NO LATE ENTRIES WILL BE ACCEPTED.**  
Send Entries to: Dennis Worwood, Box 847 Castle Dale, UT 84513
7. Market animals that have been sold or bought back at a previous livestock show cannot be exhibited or sold at this show.
8. Each exhibitor may enter no more than a total of two market animals. The animals may be from one species or any combination of two species. Exhibitors may enter any number of breeding beef or breeding sheep.

### **RULES FOR 4-H AND FFA**

1. FFA exhibitors must be Bona Fide FFA members by February 1 of the current year. FFA and 4-H exhibitors must meet state Junior Livestock Association age guidelines.
2. FFA and 4-H exhibitors must comply with state Stockshow dress requirements in showmanship contests, market animal classes, open breeding animal classes and the sale. Those violating dress standards will be excused from the class and/or sale.
3. Market animals must be exhibited by their owner in market classes, showmanship, and the sale. Exception: Exhibitors who have two animals called back for the championship class may ask another exhibitor to show one of the animals.
4. Commercial class exhibitors must be 4-H or FFA members.
5. A \$10.00 fine will be withheld from the check of all exhibitors who fail to clean their pen or stall after their market animals are sold, or breeding animals exhibited. Pens should be kept tidy during the show. Exhibitors should clean up wool and hair clippings wherever animals are fitted.
6. FFA and 4-H exhibitors are encouraged to enter the showmanship contest. FFA and 4-H will compete together in showmanship according to age group. Showmanship classes are divided by the exhibitor's school grade as of October 1 of the previous calendar year.
7. In all events, three or more entries per class constitute competition. Classes may be combined at the discretion of the judge and Stockshow committee.

#### **GENERAL INFORMATION**

1. Each of the market animal divisions will have a star class consisting of the top ten animals after the Grand and Reserve Champions (3<sup>rd</sup> through 12<sup>th</sup> place overall).
2. Premiums will be prorated and paid at the time of exhibit.
3. Exhibitors must furnish their own feed. Since it is increasingly difficult to obtain high quality bulk sawdust and shavings, **BEDDING WILL NOT BE PROVIDED BY SHOW MANAGEMENT.** Exhibitors must furnish their own bedding (must be bio-degradable). No straw is allowed because of fire concerns.
4. Drug residue testing is mandatory for Grand and Reserve Champion animals. Other animals may be tested at random under the direction of the Stockshow Committee and veterinarian.

#### **WEIGHING AND RECEIVING RULES**

1. Market hogs must arrive at the show no later than 1:00 p.m. on Wednesday. Market lambs, steers, breeding sheep and breeding beef must arrive at the show no later than 2:00 p.m. on Wednesday. Market lambs and steers must be weighed in by 2:00 p.m. on Wednesday. There will be one official weigh-in with no weigh-backs. Market animals must remain on the grounds until released on Saturday. Breeding animal exhibitors are expected to leave the animals at the

show. All animals must be released by the appropriate Department Head before leaving the show grounds.

2. Market animals that do not meet the minimum weight limit for their species will be sifted. Sifted animals should be taken from the show grounds if practical. Sifted animals may be used in the showmanship contest.

3. All sexually intact sheep or goats (male or female) that arrive at the show without a premises tag (in compliance with the Utah Scrapie Eradication Program) will be sifted.

### **SALE REGULATIONS**

1. Each exhibitor may sell one market animal through the junior livestock auction. Exhibitors who show two market animals must choose which animal will be sold through the auction (see rules 3 & 7, below) within two hours after the animals are shown. The other animal will be sold for floor price, sent to slaughter or taken home by the exhibitor. Exceptions: An exhibitor who shows two Grand Champion market animals, two Reserve Champion market animals or a Grand and a Reserve Champion market animal must sell both animals through the auction.

2. The Grand and Reserve Champion market steers and market hogs must be sold and slaughtered under the supervision of the Stockshow Committee. Grand and Reserve Champion market lambs must be sold for slaughter or for breeding purposes under the supervision of the Stockshow Committee.

3. All Star Class animals must be sold through the auction. The Star Class consists of the 3<sup>rd</sup> through 12<sup>th</sup> place overall market lambs, steers, goats, barrows or gilts, as placed by the judge during the championship drive. The championship drive consists of those animals that are selected from each class by the judge to compete for Grand Champion.

By exhibiting animals in the championship drive, exhibitors are committing to sell those animals that place in the Star Class. Exhibitors who do not wish to sell Star Class animals must withdraw their market animals from the championship drive by notifying the appropriate department head before the animals enter the show ring for the championship drive.

Exceptions to the Star Class sale rule: If an exhibitor has a Grand or Reserve Champion and a Star Class animal, the Champion will be sold through the auction and the Star Class animal will be floored, sent to slaughter or taken home. If an exhibitor has two animals that place in the Star Class, they may choose which animal will be sold through the auction and which animal will be floored, sent to slaughter or taken home.

4. Exhibitors who do not sell their Champion or Star Class animals, as outlined by Sale Regulations 1 -3 above, will not be allowed to enter, exhibit or sell animals in the Southeastern Utah Jr. Livestock Show the following calendar year.

5. Only blue and red ribbon animals will be sold through the sale ring. White ribbon hogs will be floored or sent to slaughter. White ribbon steers, goats and lambs will NOT be floored, but must be taken home or sent to slaughter.

6. Exhibitors wishing to withdraw an animal from the sale must do so by notifying the department head no later than two hours after the last market animal class in that species has been shown.

7. All exhibitors must turn in a Market Animal Sale Declaration Form (provided by the Stockshow) to the Clerk (Dennis Worwood) within two hours after their market animal(s) have shown. Exhibitors who show two market animals must indicate which animal will be sold through the auction and whether the remaining animal will be floored, sent to slaughter or taken home.

The Clerk needs this information in a timely manner so the Sale Order can be prepared. If the exhibitor fails to turn in their Declaration Form, the Stockshow committee will decide which animal will be placed in the sale order.

8. Exhibitors who fail to bring their animal to the sale ring at the appointed time in the sale order will not be allowed to sell their animal until all other market animals have been sold.

9. The Stockshow Committee reserves the right of ninety days, or until payment has been received from the buyer of the animal, for settlement of animals sold.

10. A maximum of five percent sale commission will be charged on all market animals sold, including animals that are floored.

11. Each exhibitor is responsible for their stock until each animal is secured in the proper holding area following the sale.

12. Any money added to the sale price of an animal after it has been sold through the auction ring will be divided equally among all animals in that species.

## **CATTLE**

### **DEPARTMENT HEAD – STEVE GRANGE**

#### General Rules:

1. All breeding cattle and all market beef must have health papers before they will be admitted to the show. There will NOT be a veterinarian at the show grounds to issue health papers. All breeding cattle from the State of Utah must be from a brucellosis-free herd and have a health certificate. No breeding cattle from a quarantined herd will be admitted to the show. Cattle from outside of the State of Utah must have passed a negative bangs test 30 days prior to the show and must demonstrate a health certificate certifying the test. Any bull over nine months of age must have a Trichomoniasis tag.
2. All Market Steers must have a brand inspection certificate to be presented when the animals are received on the grounds. A Bill of Sale is NOT an acceptable substitute for a brand inspection.

3. Cattle exhibits must be fit for show and halter broken. Uncontrollable cattle will be sifted. Breeding bulls 12 months of age and older must have a nose lead.

4. All cattle must have a neck rope when tied in their stall. This will prevent the animals from escaping if their halter slips off. If animals are left without a neck rope, the Stockshow Committee will provide a rope and the exhibitor will be billed \$10.

**DIVISION A--MARKET STEERS**  
**DIRECTOR-- STEVE GRANGE**

Class 1--Market Steers

Rules for Market Steers:

1. Market steers will be classed Blue Ribbon (Choice), Red Ribbon (Select), or White Ribbon (Standard). The judge may also consider structural correctness when placing animals.

2. **Market steers' horns shall not exceed 1 ½ inch projection.**

3. Market steers under 1000 lbs. will be sifted.

4. Market steers may be mouthed at random by the show committee, and steers over 24 months of age will be sifted. Age will be determined by examining the animal's teeth. Steers may have no more than two permanent teeth, with all other teeth being baby teeth which are in place.

**DIVISION B--BREEDING BEEF**  
**DIRECTOR--KYLE MCARTHUR**

Rules for Breeding Beef:

1. There will be two divisions for breeding beef: Junior and Open.

Junior Breeding Beef:

1. Any 4-H, FFA, or Jr. Breed Association member may exhibit cattle in both the Junior and Open shows. The age limits for Junior exhibitors are outlined in the State Stockshow regulations, General rule #1. Adults may exhibit cattle in the Open show but not in the Junior show.

2. Ownership and record keeping requirements for Junior exhibitors are outlined in the State Stockshow Rules under Breeding Rules, number 1.

3. Breeding animal classes are subject to change, depending upon entries.

Classes for Junior Breeding Beef:

Class 2--Registered Heifer calves--6 mo. or less

Class 3--Commercial Heifers--6 mo. or less

Class 4--Registered Heifer calves--6 to 12 mo.

Class 5--Commercial heifers--6 to 12 mo.

Class 6--Registered Heifers--12 to 26 mo.

Class 7--Commercial Heifers--12 to 26 mo.  
Class 8--Registered Cows  
Class 9--Commercial Cows  
Class 10--Registered Cow-calf Pairs  
Class 11--Commercial Cow-Calf Pairs  
Class 12--Bull calves--6 to 12 mo.  
Class 14--Bulls--12 to 24 mo.  
Class 15--Bulls over 24 mo.

Open Breeding Beef:

1. The open breeding beef show is open to any exhibitor regardless of experience. There is no upper age limit for exhibitors. The minimum age limit for exhibitors is the minimum age specified in State Stockshow Regulations, General rule #1.
2. Cattle must be registered with their respective breed associations. All breeds are eligible to compete, and will be shown together. One Champion and one Reserve Champion will be selected in each of the female and bull divisions.
3. Age requirements for cattle are as follows: Heifers 30 months of age and younger; Bulls 30 months of age and younger; Cow/Calf pairs whose calf is 6 months of age and younger. The first place Cow/Calf pair will compete for Champion and/or Reserve Champion female.
4. An entry fee of \$10 per head is required. There is no limit to the number of head an exhibitor may enter and show. Prize money will be awarded on a Jackpot basis for both the female and bull shows with the purse split 60%(Champion) and 40% (Reserve Champion) for both bulls and females.
5. Cattle will be divided into age classes in both female and bull divisions on a futurity basis with no less than 3 head per class.

**DIVISION C--BEEF SHOWMANSHIP**

DIRECTOR – COREY McARTHUR

Class 16--Beef Showmanship– Grades 3 through 5  
Class 17--Beef Showmanship– Grades 6 through 8  
Class 18--Beef Showmanship– Grades 9 through 12  
(Grade as of October 1 of the previous calendar year)

Rules for Beef Showmanship:

1. All exhibitors should enter or attend.
2. Exhibitors must use their own heifer or market steer for the showmanship contest.

**SWINE**

DEPARTMENT HEAD – KARL KAY

**DIVISION D--MARKET HOGS**

DIRECTOR-BLAINE FILLMORE

## Class 20--Market Hogs

### Rules for Market Hogs:

1. Market Hogs will be classed: Blue Ribbon (U.S. No. 1), Red Ribbon (U.S. No. 2), and White Ribbon (U.S. No. 3). The judge may also consider structural correctness when placing animals.
2. Market hogs under 230 lbs will be sifted.
3. Exhibiting classes will be divided according to gender and weight. Barrows and gilts will be exhibited separately. Grand and Reserve Champions and a Star Class will be selected in both the barrow and gilt division, with the Grand and Reserve barrows and gilts competing for overall Grand and Reserve Champion.
4. **Hogs must be clean and trimmed before they arrive at the Stockshow. No clipping of hogs on show grounds. Eartags must be clean, with clearly legible numbers, at weigh-in.**
5. **Hogs must be on the show premises and in their pens by 1:00 p.m. on Wednesday. Hogs will have access to drinking water from 1:00 p.m. until weigh-in begins at 2:45 p.m. on Wednesday.**
6. Currently, Utah state law requires that all hogs that are weighed in at a fair or show must go directly to slaughter after the show. This includes hogs that do not make minimum weight. Exhibitors who show two market hogs can sell one hog through the auction and the remaining hog will be floored or sent to slaughter.

## **DIVISION E--SWINE SHOWMANSHIP**

DIRECTOR – THERRON GRANGE

Class 21 – Beginner Swine Showmanship– Grades 3 & 4

Class 22 – Junior Swine Showmanship– Grades 5 & 6

Class 23 – Intermediate Swine Showmanship– Grades 7 & 8

Class 24 – Senior Swine Showmanship– Grades 9 through 12

(Grade as of January 1 of the current year)

### Rules for Swine Showmanship:

1. All exhibitors should enter or attend. Exhibitors must indicate at weigh-in whether or not they will participate in Showmanship.
2. Exhibitors must use their own market animal for the Showmanship contest.

## **SHEEP**

DEPARTMENT HEAD – SHERRIE SWASEY

**DIVISION F – MARKET LAMBS**  
**DIRECTOR –GLEN WELLS**

Class 25--Market Lambs

Rules for Market Lambs:

1. Market Lambs will be classed: Blue Ribbon (Prime), Red Ribbon (Choice), and White Ribbon (Good). The judge may also consider structural correctness when placing animals.
2. Market lambs will be examined by a veterinarian prior to weigh-in and will be sifted if:
  - a. The lamb has shed lamb teeth, or erupted adult teeth.
  - b. The lamb has club lamb fungus.
  - c. The lamb does not meet state tail dock requirements.
3. Market lambs weighing less than 100 lbs will be sifted.
4. All male market lambs must be wethers.
5. Exhibit classes will be divided according to weight.
6. Market Lambs cannot be shown in breeding.
7. Market Lambs must be clean and slick shorn (show ready) when they arrive for weigh-in. Market Lambs that are not slick shorn when presented for weigh-in will be sifted. Lambs with clinging manure, etc. will not be weighed until they are cleaned. No butt patterns are allowed.
8. Those planning to participate in Showmanship take notice of Rule number 2 under division H.

**DIVISION G – BREEDING SHEEP**  
**DIRECTOR – JOE JENSEN**

Meat Breeds (Hampshire & Suffolk):

Class 26 Ram Lambs	Class 27 Yearling Rams	Class 28 Aged Rams
Class 29 Ewe Lambs	Class 30 Yearling Ewes	Class 31 Aged Ewes

Wool Breeds (Rambouillet & Columbia):

Class 32 Ram Lambs	Class 33 Aged Rams
Class 34 Ewe Lambs	Class 35 Aged Ewes

Rules for Breeding Sheep:

1. All breeding sheep will be checked by a veterinarian upon arrival at the show grounds. Animals with club lamb fungus will be sifted.
2. All breeding sheep will be shown in open class.
3. All breeding sheep must be in show shape and fit.

4. If there are not enough entries in a breed division to constitute competition, classes may be combined.

### **DIVISION H – SHEEP SHOWMANSHIP**

DIRECTOR – MIKE TWEDDELL

Class 36 – Beginner Sheep Showmanship– Grades 3 & 4

Class 37 – Junior Sheep Showmanship– Grades 5 & 6

Class 38 – Intermediate Sheep Showmanship– Grades 7 & 8

Class 39 – Senior Sheep Showmanship– Grades 9 through 12

(Grade as of January 1 of the current year)

Rules for Sheep Showmanship:

1. The contest will consist of:

Appearance of animal---20%

Showing animal-----40%

Showing self-----20%

Conversing with judge--20%

2. Exhibitors must use their own market animal for the showmanship contest. Sheep must be show ready before entering the show ring.

### **DIVISION I – MARKET WETHER SHOW & SALE, JACKPOT WETHER, AND BREEDING GOAT SHOW**

DEPARTMENT HEAD – KASIE WAYMAN

#### **General Rules for Goats**

1. Goats shall be healthy and free of any visible diseases.
2. Muzzles will be allowed if necessary. An educational poster must be posted near the pen where these animals are stalled to explain to the general public why they are being used.
3. No painting, powdering, or artificial color will be allowed. Doing so will result in animal being disqualified and removed from any class it is entered in.
4. Exhibitors will be allowed to use halters or collars in the show ring.
5. Animals that endanger exhibitor(s) or are unmanageable will be removed from the show.
6. Goats should be shorn uniformly 3/8" or less above the knees and the hocks.

#### **Rules for Market Goats**

The market goat show and sale is open to 4-H and FFA youth who meet age and eligibility guidelines for Junior Livestock Shows. Market goat exhibitors are subject to the same sale regulations as other market animal exhibitors at the S.E. Utah Junior Livestock Show. **The minimum weight for market goats is 50 lbs.**

Jackpot is an open class shows for youth who meet State Junior Livestock Association age requirements. The jackpot entry fee is \$20.00. Horns must be tipped. Shearing down is not mandatory but is suggested for jackpot wethers.

1. All market and jackpot show goats will be required to have milk teeth in normal positions and no permanent teeth showing at the time of judging. Any goat that has lost one or both of its milk teeth will be disqualified.
2. Market goats will be required to be either disbudded or have horns that are less than 2 inches long. No sharp points will be allowed. No tipping of the horns will be allowed on the grounds.
3. Wether goats must be castrated prior to arriving on the show grounds
4. Market and jackpot shows are open to both wethers and does (does must have a scrapie tag). However, if a breeding show is offered as part of the jackpot - does may show in the breeding show or the market show, not both!

### **Rules for Breeding Goats**

Breeding stock class: Animals must have a scrapie tag in place before they will be received or allowed to show. Animals from out of state must also have a health certificate present before the animal will be received and weighed in.

1. A MSMGA member may accumulate points on a maximum of 2 goats per class or a maximum of 3 goats per show. Members may enter more than 3 goats, but can accumulate points on only 3 goats per show. The goat that is used for showmanship must be entered in the Southeastern Utah Jr. Livestock Show.
2. The following classes will be offered for breeding goats:  
Does  
Class 40 – less than 6 months of age  
Class 41 – 6 to under 12 months of age  
Class 42 – 12 to 24 months of age  
Class 43 – over 24 months of age  
  
Bucks  
Class 44 – less than 6 months of age  
Class 45 – 6 to 12 months of age
3. Date to be used in determining the age of breeding class animals will be the first day of the show (Wednesday). Age verification may be required.

### **Rules for Showmanship Class**

1. All exhibitors should enter or attend.

2. Exhibitors must indicate at weigh-in whether or not they will participate in showmanship.
3. Exhibitors must use their own market animal for the showmanship contest.

### **DIVISION J – ROUND ROBIN SHOWMANSHIP CONTEST**

**DIRECTOR: JUSTIN THORNLEY**

Award: Trophy Belt Buckle to the Champion Showman

In Round Robin Showmanship, exhibitors test their skills in showing beef, sheep, and swine. Eligible contestants are the Champion showmen from the Intermediate and Senior age groups in each species. Contestants will be judged for showmanship with their own animal and their showmanship with the other two species.

#### **RULES:**

1. Intermediate and Senior Showmanship Champions from the Beef, Sheep, and Swine Departments is eligible to show in the Round Robin Contest. If one of the Champion Showmen does not participate, the Reserve Champion may take his/her place.
2. Each exhibitor will show his/her own animal in the contest. After each has been judged showing their own animal, exhibitors will rotate to the next species, and continue until each of the six exhibitors has been judged with each species.
3. Contestants will be judged on a system which awards points for ability and knowledge. The high point individual will be the Round Robin Showmanship Champion.

### **DIVISION K – JUDGING CONTESTS**

**DIRECTORS: DENNIS WORWOOD, RON PATTERSON & CORINNE DALTON**

#### **Rules for Judging Contest:**

1. All 4-H, FFA, and other interested parties are invited to participate. Classes of beef, swine, sheep and goats may be judged.
2. Participants can form a team of 3 or 4 members with three high scores counting OR can judge individually or open class.

### **DIVISION L – RECORD BOOK AND PORTFOLIO CONTEST, ALL SPECIES**

1. Contestants must be exhibitors in the Southeastern Utah Jr. Livestock Show.
2. Contestants must be 4-H members or FFA members.
3. FFA Record book and 4-H portfolio entries must be turned in at the announcer's stand by 2:15

p.m. on Wednesday, July 6.

4. Premiums will be paid on all blue and red ribbon record books and portfolios.

**DIVISION M – WRITTEN TEST**  
**DIRECTORS: RON PATTERSON, DENNIS WORWOOD**

Rules

1. Contestants must be 4-H or FFA exhibitors at the Southeastern Utah Junior Livestock Show.
2. Contestants will be divided by species (Beef, Sheep, Swine, Goat) and by age (Junior, Intermediate, Senior). Contestants can take a test for only one species, and it must be a species they are showing at the Southeastern Utah Junior Livestock Show.
3. Test questions will be taken from 4-H Livestock Resource Handbooks, published by the Ohio State University:
  - Circular 134R Swine Resource Handbook
  - Circular 117R Beef Resource Handbook
  - Circular 194R Sheep Resource Handbook
  - Circular 135R Goat Resource HandbookThe Circulars are available from Utah Extension Offices, or can be ordered on-line from the Ohio State University at: <http://estore.osu-extension.org/>
4. Prizes will include medals and cash awards.

**DIVISION N – RABBIT SHOW**  
**DEPARTMENT HEAD – DAN JAMES**

Rules

1. Rabbits do not need to be pedigreed or registered, or meet ARBA standards; however, exhibitors are encouraged to breed and show quality individuals. Mixed breed rabbits or purebreds that do not meet breed standards will be shown as pet rabbits.
2. Rabbits may be shown in each class of a variety by the same exhibitor. The show committee reserves the right to combine classes if less than 2 rabbits are entered in each class. Any one variety or breed that averages at least 3 entries per class will be shown separately.
3. If an animal is shown in a fur class it must have been shown in its respective breed class. Animals disqualified for reasons other than health may still be shown in the fur class. Fryer fur animals should be shown out of a meat pen only.
4. Animals with the following illnesses or ailments will be disqualified: Malocclusion (bad teeth), weepy eyes, mucous in nose, blindness, abscesses, or broken limbs. Rabbits under twelve weeks of age will also be disqualified to protect their health and safety. Please check rabbits prior to bringing them to the show to make sure they are in good health.

5. Coop card (available at the show) must be turned into the person making 4-H or FFA entries. Please identify the actual breed and variety. This information is needed to divide classes, and to add or delete classes for next year.

6. ENTRY INFORMATION: The entry fee is \$1.00 per rabbit. No premium money will be paid on rabbits. Any sales will be private treaty. Fill out entry forms with the correct information for each rabbit you exhibit.

**Junior Buck or Doe: Age up to 6 months**

**Intermediate Buck or Doe: 6 to 8 months of age (applies to "B" list animals only)**

**Senior Buck or Doe: 6 months of age or over for "A" list animals,  
8 months of age or over for "B" list animals.**

**"A" List:** Angoras (all), Dutch, Jersey Woolly, Mini Lop, Mini Rex, Netherland Dwarf, Rex, Holland Lop, Florida White, Tan, Fuzzy Lop, or any other four class purebred. If your crossbred rabbit is under six months of age and weighs less than six pounds, enter them in the Junior class.

**"B" List:** Californian, French Lop, New Zealand, Satin, Checkered Giant, Flemish Giant, or any other six class purebred. If your crossbred rabbit is over six months of age and weighs over eight pounds, enter as a "B" list animal.

Mini Class exhibitors (ages 4 to 8) will receive participation ribbon only. All rabbits will be combined. Number of entries will determine classes.

If you have questions, please contact Dan James at (435) 384-3367

## **UTAH STATE JUNIOR LIVESTOCK SHOW ASSOCIATION OFFICIAL RULES, 2011 Show Season**

### **A. GENERAL RULES**

1. **Age** -- 4-H ages and grades are based on the 4-H year, which begins October 1 and ends September 30. Exhibitors must be in the third grade, but not less than 8 years of age as of October 1 of the current 4-H year. Exhibitors can show through the same season as their high school graduation, but not past their 19th birthday. Exception: Disabled persons as defined by public law 98-527. In these special cases, animals must still be the project animals of the exhibitor and be cared for daily by the disabled person.

2. **Group Affiliation** -- An exhibitor may enter a given show only as a 4-H or FFA member, but not both. Exhibitors must declare one or the other at time of entry.

3. **Ownership of animals** -- The exhibitor will own, possess, feed, and care for his/her project animal(s) for not less than 100 consecutive days for market beef and 60 consecutive days for market swine and market lambs immediately prior to the show they intend to participate in. No

interruption of ownership or possession can occur.

4. **Fitting on show grounds** -- The fitting of animals will take place in areas designated by the livestock show committee. Parents, guardians, siblings, club leaders, Extension/4-H agents and FFA advisors may assist, and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.

5. **Code of Ethics** (rules 5-a through 5-g) –

a. Treating an animal internally or externally, with any irritant, counterirritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to, the use of graphite, powders, hemp, artificial hair, coloring, common products such as fly spray, ointment, or liniment used to the point that it is irritating, or similar type products. The use of dyes, spray paint, or other artificial coloring, which results in altering an animal's true and natural appearance and/or color, is prohibited. Adding false hair or hair-like material, fleece, or skin at any point, spot, or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler, etc. Drenching will not be allowed unless the show veterinarian or a show official is present and is needed for emergency purposes only.

b. The use of tranquilizers, sedatives, or depressants, which alter the physical or physiological state of the animal, is illegal. Exceptions to this rule would be licensed, certified veterinarians, treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All exhibitors will advise show management of any drug and/or medication administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time, and date of administration will be presented to show management prior to the showing and sale of the animals. Failure to report this information will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered into livestock competition will be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. During the livestock event, in the case of an animal requiring treatment, all medication shall be administered by a licensed veterinarian and the livestock show officials shall be notified.

c. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal's shape. Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.

d. The use of inhumane fitting, showing, and handling practices or devices shall not be tolerated. For example: breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, muzzles, etc. is not acceptable.

e. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.

f. At the time an animal is sold at auction at the livestock show, the exhibitors shall be held directly responsible for animals that are rejected at the processing center for any reason. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be

liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence information with FDA or USDA. If, for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.

g. Show management reserves the right to require animal health certificates. Health inspection and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials. Any violation of the "Utah State Junior Livestock Code of Ethics" or specific rules as designated by individual fairs and livestock shows will result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competitions. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. Other cooperating shows will be notified of the action taken by show management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows. The decision of the livestock show management will be final.

#### 6. **Dress Code –**

**4-H** - A long or short sleeve shirt, which fastens down the front with a collar, is mandatory. Shirts must be solid white in color and need not be Western style. Black or blue pants are to be worn. There is to be a 4-H emblem or patch on all 4-H member shirts.

**FFA** - Either a white shirt, tie and FFA jacket, or a white shirt with the FFA emblem and tie (t-shirts are not allowed.)

**The following are not allowed: T-shirts, tank tops, tube tops, sleeveless shirts and vests.**

Exhibitors who fail to abide by dress standards will forfeit prize money.

7. **Sales Fee** -- A sales fee not to exceed 5% will be withheld from sales checks by all state-assisted shows. Any purchaser(s) of animals from a Junior Livestock Show Auction must pay the Show the full purchase price of sale regardless of buy-back.

8. **Change of Ownership** -- Once an animal has gone through any stock show sale, regardless of buyback or no-sale, it is no longer eligible to enter another state assisted show.

9. **Show Eligibility** -- Animals are eligible for any show for which they meet ownership and show requirements.

10. **Lamb Docking Rule – Scientific research indicates that the incidence of rectal prolapsed is reduced when the tail is docked in a non-extreme manner. The recommended method is to dock at the distal end on the caudal fold (3rd caudal vertebra). Complete tail removal (extreme docking) is not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep projects. The rule is: market lambs or breeding sheep showing any signs of contagious disease or current or recent signs of prolapse, or with an open sore on the dock (rosebud), will be sifted from Utah Junior Livestock Shows at the discretion of the state show vet at the time of weigh in and their determination is final.**

11. **Name Change**-- If an animal has been shown in a market show in-state or out-of-state, it must be shown in the same exhibitor name in all subsequent shows.

#### B. MARKET ANIMAL RULES:

1. **Drug Withdrawal** -- It is unethical and in most cases even unlawful to administer drugs to livestock within 20 to 30 days of slaughter. Animals too unmanageable to show should be withdrawn from their class rather than be tranquilized. The local show committee and the show veterinarian will monitor this situation. By federal regulations, random testing will occur at

slaughter, and animals will be condemned which have been given any injection or oral dosages of tranquilizers, pain killers, antibiotics, diuretics, steroids, or other foreign substances during withdrawal periods before slaughter. All sales money will be withheld in such cases. Bloat medicine and other medications with no withdrawal requirements may be permissible. Exhibitors need to be aware of potential health hazards to consumers who eat animals that have received any above-mentioned substances. Please do not put someone's life in jeopardy.

2. **Tagging** -- The Extension/4-H agent, FFA advisor, or a member of their appointed committee shall tag each animal and process the proper forms. Should a tag be lost or pulled out of the animal's ear, the exhibitor will advise the committee supervisor immediately so that the tag can be replaced and the appropriate paperwork be processed.
3. **Market Animal Weights** -- Ideal market weights are determined by the meat industry and may vary from year to year, but these show-day ranges are what suggested weights are based on:

<b>Species</b>	<b>Weight Range</b>	<b>Daily Gain</b>	<b>S.E. Utah Jr. Livestock</b>
			<b>Minimum Weight Limit</b>
Beef:	1,000 - 1,275 lbs	2.75 lbs/day	1000 lbs.
Sheep:	90 - 1301bs	.75 lbs./day	100 lbs.
Swine:	240 – 290 lbs	1.5 lbs./day	230 lbs.

4. **Extra Animals** -- Exhibitors may tag one extra animal per species for each show period.
5. **Entry Forms & Deadlines** -- Entry forms are due at least thirty (30) days before each show. Exhibitors are responsible for mailing their own entry form. Entries postmarked by that date will be accepted. Exhibitor must declare which animals are to be shown, and submit an entry form and entry fees to the appropriate shows, including State Association ear tag numbers. The tag number and alternate tag number must be specified on the exhibitor entry form to be eligible. Entries may not exceed the limits for each show (see form 4) including one alternate animal per species entered. Forms must be signed by proper Extension/4-H agent or FFA advisor to verify exhibitor and animals are a legitimate entry for the show they are entering. Extension/4-H agents or FFA advisors should only sign forms for those youth enrolled in their programs. The Extension/4-H agent or FFA advisor and parents will verify eligibility for group and family feeding programs. Entry forms for fitting and showmanship classes must also be submitted 30 days prior to show and need to indicate class to be entered (species) and age of exhibitor. Entry fees will not be withheld from sales checks. Entry fees are to be sent along with all entry forms.

### **C. BREEDING ANIMAL RULES**

Exhibitors are encouraged to expand their scope of livestock project experience to include breeding livestock projects.

### **E. RULE ENFORCEMENT**

The local show has the responsibility to enforce the rules and regulations at their show. Any further action needs to be submitted in writing to the Utah State Junior Livestock Shows Association Board. Shows that do not comply and enforce the rules adopted may lose Association funding. If immediate action is needed, the board of the Utah State Junior Livestock Shows Association is empowered to make the ruling decision.

2010 Grand & Reserve Champions

### Grand Champion Steer

Exhibited by Dalton Sorensen of Spanish Fork

Sold for \$3075.00

Buyers: Keywest Cattle Services, Mac's Mining, Paul Gilbert, Sorensen Angus Ranch, L&M Construction and Excavating, McArthur Livestock, Quest of the West Bull Sale, Conoco Phillips, Harward Farms, Timpanogas 4-H, Springville FFA/4-H Livestock Boosters, Bank of American Fork, Greenline Equipment, Larson & Rosenberger CPA's.

### Reserve Champion Steer

Exhibited by Natalie Whittier of Cedar City

Sold for \$1,700.00

Buyers: Dr. E.K. Madsen, Little Creek Hay Company, Joy Mining, Cedar Livestock Market, Cedar Feed.

### Grand Champion Goat

Exhibited by Triston Wayman of Huntington

Sold for \$450.00

Buyers: Robinson Transport, Jerry's Custom Meats, Western Mine Tool, Carbon County Farm Bureau, Tony Basso GM.

### Reserve Champion Goat

Exhibited by Trinity Wayman of Huntington

Sold for \$375.00

Buyers: Jerry's Custom Meats, Robinson Transport, Carbon County Farm Bureau, Tony Basso GM.

### Grand Champion Lamb

Exhibited by Tyler Gilroy of Vernal

Sold for \$1615.00

Buyers: Price Auto Group, Paul Gilbert, Tony Basso GM, Cowboy Club, Castle Valley Co-op, Cal's Custom Painting, Robinson Transport, Conoco Phillips, Electrical Contractors, Trails End Realty, Grub Box, IFA of Price, Western Mine Tool.

### Reserve Champion Lamb

Exhibited by Kayla Peel of Draper

Sold for \$900.00

Buyers: IFA of Price, Electrical Contractors, Joy Mining Machinery, Stewarts Thriftway, Cal's Custom Painting, Webb Livestock

### Grand Champion Hog

Exhibited by Kaden Worwood of Ferron

Sold for \$1918.00

Buyers: Castle Valley Co-op, Springville FFA/4-H Livestock Boosters, Consol Energy, Conoco Phillips, Energy West, Wade & Mindie Faucett, Western Mine Tool, H & H Headquarters, Kay Electric, Ferron City, Jerry's Custom Meat, Jim Jensen, Paul Gilbert, Pacificorp

Reserve Champion Hog

Exhibited by Hagen Peterson of Delta

Sold for \$1350.00

Energy West, Callister Electric, Steve Regan Co., Dr. Jim & Tracie Larson, Central Utah

Veterinary Hospital, Leland Milling Co., D & M Quarter Horses, Lamarr Walker, Circle V Meat,

3-H Livestock, Dan Baker, Pacificorp, IFA of Delta.
