

WHAT DO YOU COLLECT?

Many people collect something. There are so many things to collect; common things collected are: spoons, stamps, coins, and dolls.

See if you can name something that can be collected for each letter of the alphabet. (Example B: bouncy balls, P: playing cards, Y: yo yo's)

Collecting can be fun! Just make sure that you keep items in good condition- they will be worth more in the future; and keep your collection in a safe dry place.
