

## NAME TOSS

**ITEMS NEEDED:** Bean bags or stuffed animals: one for each person in the group

One person in each group has bean bags or stuffed animals (one for each person in the group.) He/she tosses one to a person and calls out that person's name. That person then tosses it to another person, at least one or two people away. Game continues until everyone has received the bean bag. The lead person then starts over and adds bean bags into the circle until all of them are going at the same time.

**VARIATIONS:** If there are enough people, have a couple of groups and compete between groups to see which group can keep all the bean bags going the longest.
